LETTER OF INTENT

Dear Prof. Angelow,

Re. Our letter of 23.03.2016 about future distribution of vegetable in Sweden

Further to our recent communications with your Macedonian partners in development of new modern greenhouse supplied by established industry manufacturer with technological and design options to achieve a high quality bio-products on 13.2 ha, some details about your sophisticated financial model and application for project financing of the business, this is to confirm that we are ready, willing and able to contract with you under the conventional terms and conditions the distribution of the vegetable products.

Our market position is in a strong level of compliance with high quality vegetables, and we expect rapid and successful development of the project to discuss terms or negotiate contract with you. Any other information which you could supply would be very welcome, and we would of course be treated as strictly confidential.

We are looking forward to hearing from you soon and assure you that your first offer will receive our immediate attention. We should appreciate the opportunity of showing how efficiently we can serve your newly established company.

Kind regards,

Owner. Goran Milovac
